Magicians Academy

Students will learn basic sleight of hand magic using everyday objects, such as rubber bands, coins, and playing cards. Magic teaches creativity, confidence, and showmanship! The session will conclude with a demonstration of skills learned. During this time, we invite all family and friends to attend the show! Cost for the 5-week session is \$65.00. Equipment is included. The class is led by David Casas, a professional magician in the area. There are only 15 spots in the class. The class is coed and for ages 10–15. First session will run on consecutive Tuesdays beginning September 26th – October 24th from 5:00 – 6:00 pm in the LFC Party Room. More sessions will be created based on the instructors schedule at the time. Information on additional sessions will be sent out once created. Call Nathan at 563-344-4111 for more information.
