

Bettendorf Parks & Recreation Summer Volleyball League Information

Each team must turn in their parental waiver forms **before they play their first match.** The waiver form will be sent to the coach after your team has registered to participate in the summer program. The team coach should collect the signed waivers from the players and turn them in at the Community Center on the day of their first match (before they play). Players may be added to a team during the season as long as we get a signed waiver form turned in to us before they play. The team coaches are responsible for making sure this is done.

Matches will be at the Herb Goettsch Community Center (2204 Grant Street, Bettendorf).

The grade level divisions are based on the grade each player will be going into when the school year begins next fall. For example, players currently in 8th grade will play in our summer 9th grade league.

Players may play up (a 9th grader can play on a 10th grade team or varsity team), but they may not play down a level, or for another school. Exception: If a team does not have enough players to begin a match, we encourage players from other teams to help out so a match can be played – rather than forfeited.

Teams registered to play in our summer volleyball program will also have the opportunity to use the Bettendorf Community Center gym for practice times for no additional fee. Contact me for information on scheduling available practice times.

Matches will be three games with rally scoring. All three games will be to 25 points, with a 27 cap. Teams must provide their own volleyballs for warm-up and matches.

Teams will be allowed two time outs (30 seconds or less) in the 25 point games, and one time out in the 15 point games.

Failure to serve the ball on the first toss will result in a side out/point in the varsity and sophomore divisions. The younger players (9th grade and below) will be allowed one extra serve attempt on a bad toss that they let drop, per service rotation.

Teams scheduled to play the first match of the day can use the court for warm ups beginning about 15 minutes before the scheduled game time. The 7th and 8th grade teams scheduled to play after the first match should do their stretching and ball handling warm ups outside (weather permitting).

7th and 8th grade teams will have 5 minutes of warm up time on their court immediately following the conclusion of the preceding match. This will generally be used for three minutes of shared hitting and two minutes of shared serving.

At the conclusion of each match, teams should shake hands at the net and then quickly leave the playing area so the next two teams can begin their warm up. All post match meetings must be held away from the playing area.

The curtain (that divides the gym into two courts) is out of play. When either the ball or a player makes contact with the curtain, the play ends and a point is awarded. If you have any other questions or comments, contact Mike Jones at (563) 594-1898.

Bettendorf Parks & Recreation
2018 Summer Volleyball Registration
Deadline to register is 5:00 p.m. on April 27th

School _____ Team Name _____

Coach _____ Address _____

City _____ State _____ Zip _____

Work Phone _____ Home Phone _____ Cell _____
