JOINT MEETING BETWEEN THE CLINTON AND QUAD CITIES

The Clinton Citizens Police Academy Alumni Association made arrangement for a representative from the Secret Service to address their group.

To allow a greater audience, members of the Clinton Association have agreed to allow us to host at our May 3rd meeting in the Bettendorf Council Chambers. Secret Service Agent Steve Allen will address both Associations.

The meeting is two fold:

♦ Listen to the information presented by Secret Service Agent Allen.
♦ Meet and greet the members of the Clinton Association. Clinton is just down the road but how many other opportunities will we have to meet the members of this fine Association.

Judy,

Please forward this to the Citizen’s Academy:

In 1962, President John F. Kennedy signed a proclamation which designated May 15th as Peace Officers Memorial Day and the week in which that date falls as "Police Week". Every year since, tens of thousands of law enforcement officers from around the world converge on Washington, DC to participate in a number of planned events which honor those that have paid the ultimate sacrifice.

The first official memorial service took place on May 15, 1982. On that date, approximately 125 people gathered in Senate Park to honor 91 law enforcement officers. Over the past 22 years we have honored over 3,000 law enforcement officers from around our nation. Today, the National Peace Officers’ Memorial Service has become one in a series of events which includes the Candlelight Vigil, which is sponsored by the National Law Enforcement Officers Memorial Fund and seminars sponsored by Concerns of Police Survivors.
