PARK ATTRACTIONS

BETTENDORF DISC GOLF COURSES
Disc golf has similar rules to golf. Players count how many “strokes” (throws) it takes to get from the tee to the basket. You can use any flying disc, although players commonly use special golf discs for driving, putting, and approach shots. Family members of all ages can enjoy the sport and best of all it’s free!

DEVILS GLEN DISC GOLF COURSE
This challenging 12-hole course is located in Devils Glen Park. Each hole has one tee pad and three different basket replacements that are rotated often to add variety. Hole one starts on the far side of the baseball field.

MIDDLE PARK DISC GOLF COURSE
Located at Middle Park (Middle Road and 23rd Street), this 18-hole course is one of the premier courses in the area. With multiple pin placements on every hole, this course will test your skill every time you play. Trees, hills, and water hazards add to the fun on this course.

You may visit www.bettendorf.org/parks/legend to view a map of each of these courses. Contact Tracey at 563-344-4119 for information on Junior Leagues/Tournaments and City-Sponsored Events.
