Welcome back from the National Conference.
The 2008 National Conference was held in Baton Rouge, and attended by many members of various alumni academies, associations, and law enforcement agencies. This is the conference for which we provided a donation of $500.00 to aid in the local alumni association hosting the conference.

Mike Fisher, Jordy Cooper, Penny Fisher and Judy Welch represented the Iowa QC group.
The conference was also attended by a member of the West Des Moines Alumni Association.

Celebrate new members and welcome back old friends.
Come, enjoy cake and punch and shake hands with the new members who have selected our Association as being worthy of their time and effort.
Let them know we’re a friendly group, but have our serious side also. We laugh, keep the meetings light, but when called upon to assist law enforcement groups, we respond.
Come to the meet and greet. Meet the new members and renew acquaintances with members who also have determined the effort we put forth has a value to the law enforcement community and the citizens of the

Unlock training scheduled.
For any person who has not attended an unlock session, or who has but wants a refresher course, one will be held Saturday, May 31st. Meet at the station in the West lot at 8:45 AM. Ride together or drive separately. If you’re volunteering for citizen patrol, unlock training is necessary.
Members of the Iowa Quad Cities Citizen Police Academy Alumni Association took part in the Law Enforcement Memorial event by removing petals from various flower used during the Memorial Service. The petals were dropped from a helicopter over the throng of officers, family and special guests assembled at the church service. These pictures represent a very small portion of the members who help and all members can be very proud of their part played in the Memorial Service event.
