## WE ARE OUR MISSION

A member asked if I could publish volunteer hours per activity to let people know where members provide assistance. The spreadsheet is included within this newsletter

### Members listened as Dr Haare spoke.

Dr. Haare, Medical Examiner for the county of Scott spoke to the members at the October meeting regarding her job as Medical Examiner.

How many knew that Iowa has Medical Examiners and Illinois has Coroners?

Did you know there are five categories to which a death may be assigned—Natural, Homicide, Accidental, Suicide and Undetermined.

Dr Haare spent a good deal of her time with us responding to questions from the audience. Very thought provoking questions regarding tasks assigned to her, assigned to the police accident reconstruction team and EMTs. All three groups have responsibilities in the area of death and determination.

The subject matter of death effects each of us and Dr Haare deals with it often, attending to family members of our and surrounding communities.

### Help with the United Way luncheon.

Members of the Association help with the United Way luncheon.

A big thanks to those who helped provide deserts and side dishes for the lunches on Tuesday and Wednesday, 21 and 22 October. As usual, everything was delicious and your assistance and kindness was much appreciated.
