BARRE: Barre fitness is a hybrid workout class - combining ballet-inspired moves with elements of Pilates, dance, yoga and strength training. Most classes incorporate a ballet barre and use classic dance moves such as plies, alongside static stretches. Barre also focuses on high reps of small range movements.

BODY ROCK: This is not your ordinary sculpting class. Pump it up in this group strength training class that incorporates dumbbells, resistance bands, and stability balls into a great workout! (All levels)

PILATES PLUS: Pilates-based mat exercise class is designed to lengthen and strengthen your entire body using your core muscles. Pilates will help you improve your posture, balance, and flexibility. Classes are offered for all ability levels. Watch for introductory workshops, too! (All levels)

FITNESS COMBO: This is a great class for beginners, those getting back into fitness, and anyone wanting a variety of cardio, strength, and flexibility all in one class. All ages are welcome to participate. (All levels)

ACTIVE ADULT CARDIO & STRETCH: These classes are specifically designed for those 50 years and older. Movers class incorporates cardiovascular movement to your favorite music. Strength class uses dumbbells, bands, and balls to increase mobility, strength, and balance.

FIT BALL WORKOUT: Keep your Friday workout fun and functional for your weekend activities. Work on balance, core training, and strength training all using the stability ball. Great for all ages and levels. Guys love this class, too!

FITNESS YOGA: Lengthen and strengthen your muscles in this fitness yoga class.

CORE POWER YOGA: This new class combines Pilates and yoga exercise, and instructor will throw in a little cardio as well.

AQUA FIT: Low to moderate intensity water class that is heavy on the cardio, yet light on the joints. Muscle toning is also included. This class is great for all ages and ability levels.

SPECIALTY WELLNESS CLASSES: The following classes are offered on a registration basis only. Senior strength and fitness classes, women’s strength training, TRX FIT, sport related conditioning/training classes, incentive programming, TRX Golf, stretching, and balance classes.

ZUMBA: The popular body-shaping, music-driven work out is here. Move and Groove into Fitness by boosting your energy to the sounds of the beat! Let the music move you!

XCO FITNESS: This class mixes Latin rhythms and athletic movements using intelligent physique tools called XCO-Trainer Studio Sets. The result is the most extraordinary, intense, and dynamic workout in the market designed to work your entire body with special emphasis to your core and arms.

YOGA BALANCE, BREATH, AND BRAIN: Discover your body’s optimal harmony by integrating Yoga, balance, breath & brain practice to promote a healthy lifestyle. Release tension, tightness & remain limber through a sequence of stretching, balance, posture & brain enhancing exercises. Awaken, awareness & activation are incorporated to cultivate energy, healing, improve circulation, elimination of toxins, stimulate memory connections & move optimally.
