Splash Landing, LaMar Splash Pad, & Programs

Please call 563-344-4113 or message us with any questions.

The City of Bettendorf has made several decisions regarding Parks and Recreation summer programming as a result of the COVID-19 pandemic.

Splash Landing and the LaMar Spray Pad will not open for the 2020 summer season. Staff is eager to join you and your family next summer.

The Playgrounds program will not take place this summer.

Day Camp, Sports & Games, and Tot Lot summer programs will be held, in adherence to CDC and Iowa social distancing guidelines. Registration is now open at www.bettendorf.org/register.

If you have questions, or would like to inquire about funding assistance, please call 563-344-4113.
