Family Museum
563-344-4106

- **Masks are required** for all visitors and class attendees age 2 and up. Masks for those who do not have one are available at the Welcome Desk.
- Up to 150 guests will be permitted in the Museum at any given time.
- If the Museum is at capacity, you will be asked to wait outside in your vehicle.
- The Family Museum has taken enhanced health and safety measures for you, our other patrons, and our employees. You must follow all posted instructions while visiting the Family Museum. COVID-19 is a contagious disease with potentially severe consequences. An inherent risk of exposure to COVID-19 exists in any public place where people are present. By visiting the Family Museum you voluntarily assume all risks related to exposure to COVID-19.
